my notebook.

This world is a  
cruel place  
don't trust  
anyone

Dont do  
this!!!

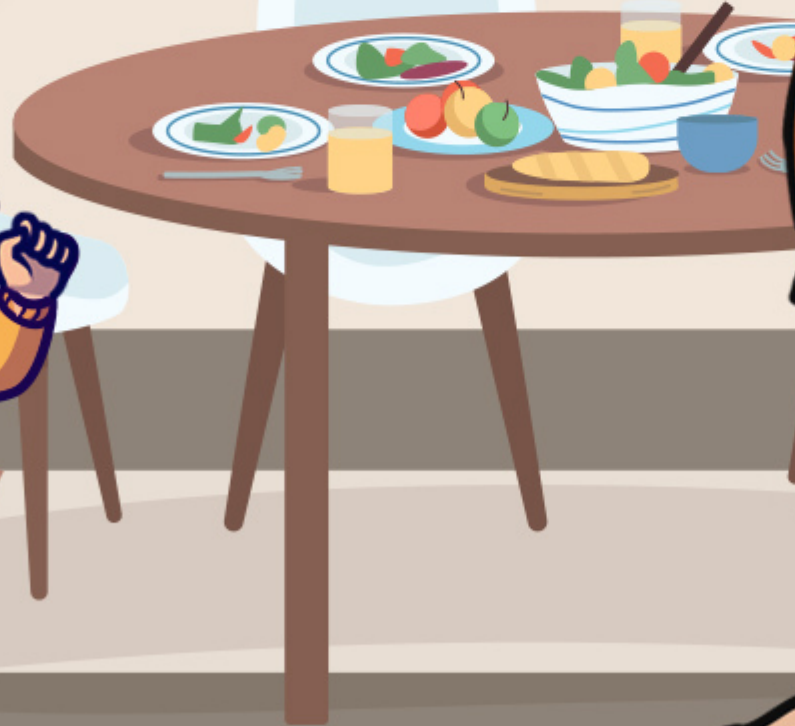

Kidbea

someone stole  
my notebook.

have you  
searched  
for it  
properly?

**INSTEAD!**  
**Try This**

**Stop them from reaching conclusions directly.**

Kidbea

yes,  
but I couldn't  
find it anywhere.

I am sorry,  
you don't worry  
we will together  
complete  
the work.

Make sure they have your back when anything goes wrong.

Kidbea

Why do people  
do such bad things.  
everyone is bad in  
this world.

not everyone  
is bad baby  
There are only  
a few people  
who do wrong.

Teach them to not generalize on the basis of a few experiences.

Kidbea

We can never know why people do this but we should never stop believing in the beauty of kindness and love because of this.

Just make sure that bad experiences do not hinder their belief in the beauty of human beings.

Kidbea

**Shield them from evil  
and keep them from  
danger, BUT teach  
them of  
acts of kindness  
for strangers.**
