Dont do
this!!!

Kidbea

hey baby, I am
doing some work,
please give me 30
minutes then we
will play

papa, please
play with me?

INSTEAD!
Try This

Explain to them correctly about the time you will take

What would you like to play?

Ummm! Let's play with the remote car

Ask them what they want to play and then take out the time accordingly

you go and set
the toy I will
join you

yay!!

In the meantime Give them tasks so that
they can feel involved
