DESCRIPTION

In France, we all have fond memories of hanging around a bistro table. Our Donut collection is an homage to those good times. Designed with cafés and restaurants in mind, these small dining tables can bring a little bistro charm to the home, too, whether in your kitchen, loggia, or out on a patio or balcony. Shown here with a classic round tabletop 60 cm in diameter (about 24"), this table is perfect for a solo coffee break or a tête-à-tête.
