

Communication & privacy were the 2 main elements from which PerezOchando based their thoughts from when developing Ara

Ara borrows its name from a type of bird from South America, a very characteristic parrot that can talk and communicate.

ARA
Armchair

PerezOchando

Ara, designed by PerezOchando Studio, is a very comfortable and extremely practical armchair, an exclusive and unique design incredibly functional, that gives its user the much needed privacy and offers new communication opportunities. Its metallic tube structure is surrounded by an evolvent backrest and a super comfortable seat.

Height /125 Depth /74 Width /74

Height /125 Depth /84 Width /82

All measurements are approximate.
