## BIG FOOT TABLE LOW

BIG FOOT is a contemporary furniture line of cast concrete objects, featuring a bench, two side tables and a large coffee table.

The BIG FOOT collection is characterized by its sculptural cylinder-shaped legs, creating a massive and heavy look, inspired by brutalist architecture from the mid-20th century.

All products are cast in lightweight fiber concrete to create a unique textured surface and increase mobility. Each piece is hand painted with multiple layers of paint, creating a strong and resistant surface

Designed by Kristian Sofus Hansen & Tommy Hyldahl.
