Inspired by NYC's iconic subway car, Brightliner was designed by AvroKO to transport visitors in a similarly functional yet sophisticated fashion. Crafted by Stellarworks, Brightliner takes guests back to NYC's most elegant of eras, thanks to the iconic silhouettes and sleek curvatures of this collection. With nods to Manhattan's eccentric energy, each furniture design embodies a sense of thrill completely unique to the world below 14th street.

# ABOUT.

# AVROKO x STELLAR WORKS

**AvroKO Partners**

Greg, Kristina, Adam and William

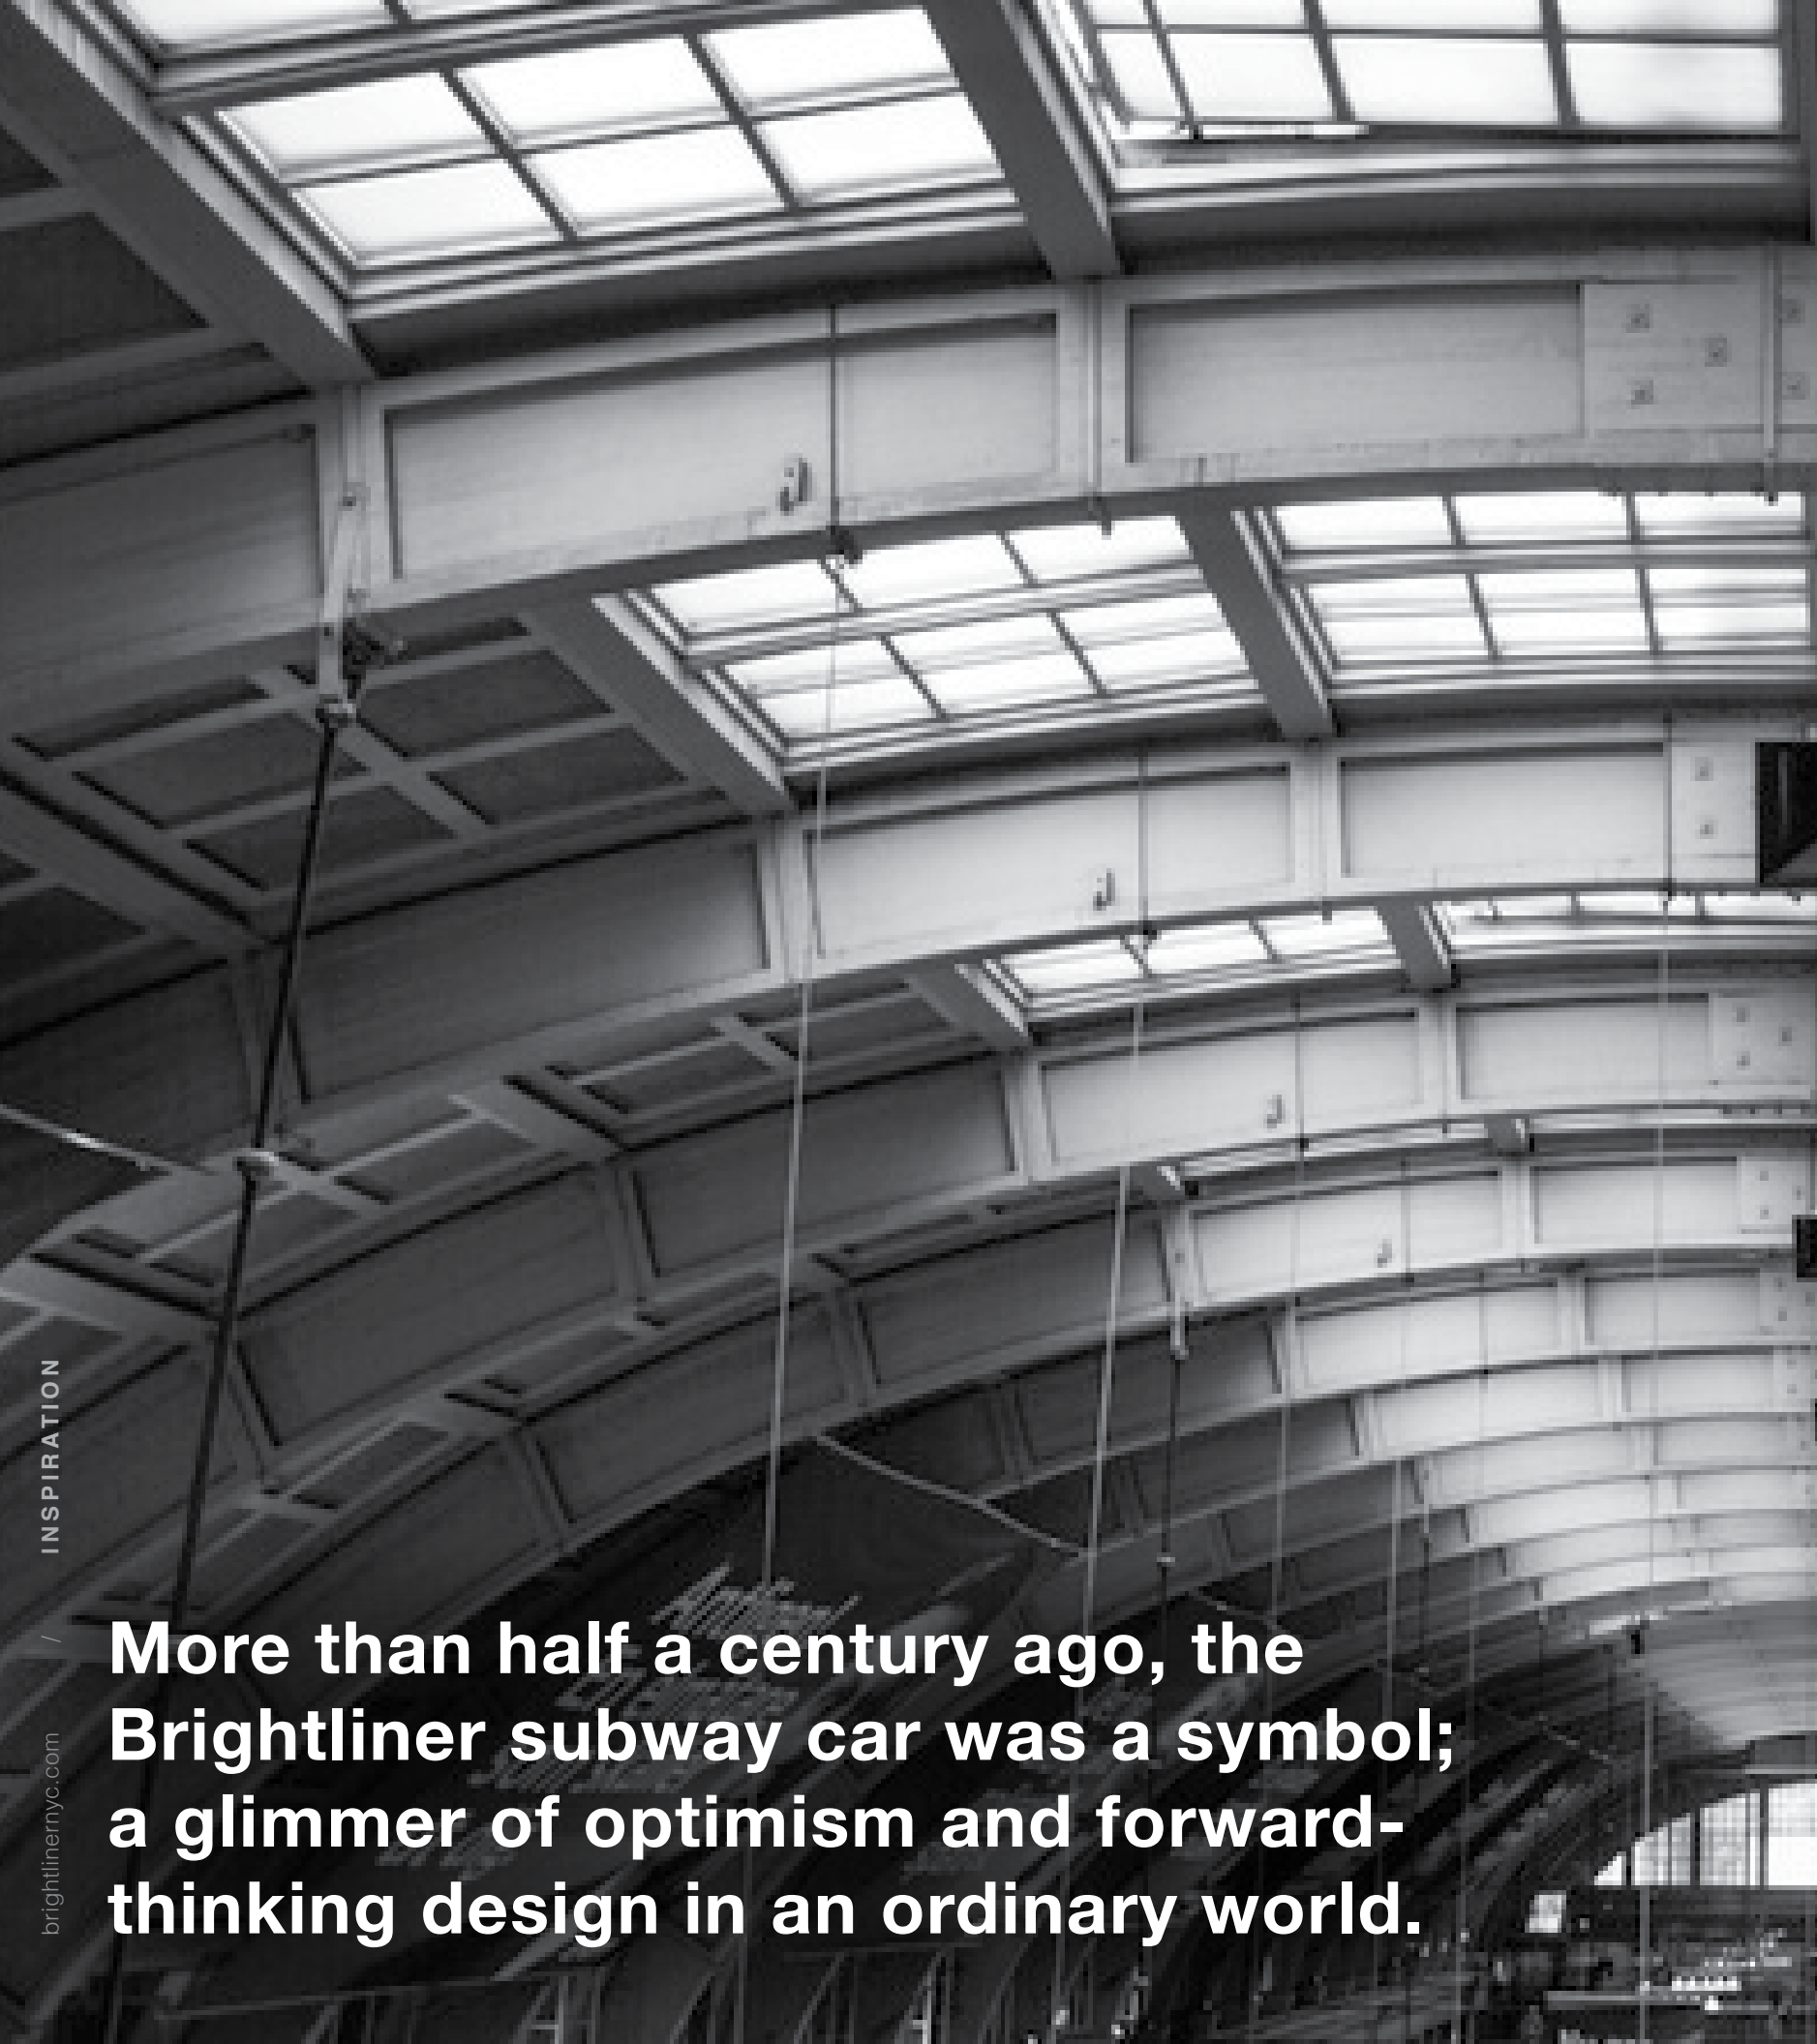

**Stellar Works**

**AvroKO & Stellar Works have crafted a new, transportive line as an ode to its namesake, inextricable in its hay-day from the landscape of the beloved city.**

**AvroKO** is celebrating 20 years of hospitality design in 2021. Their designs for restaurants, hotels, marketplaces and residential buildings have been celebrated around the world. With their headquarters in NYC, as well as offices in SF, London and Bangkok, they've managed to design projects across the globe. Their holistic approach has resulted not only in the design of spaces, logos, and menu's, but has consistently relied on custom designed furniture and lighting. The Brightliner collection started with chairs and tables designed specifically for the 3 Michelin starred Single Thread Restaurant and Inn, and includes additional products designed for their own restaurant Saxon and Parole as well as some additional beauties. They've been honored with awards ranging from the Gold Key to 3 James Beard awards and been named Design Firm of the year by both Boutique Design Magazine and

**Stellar Works'** production techniques are inspired by the long-standing industry of traditional cultures, and represent a commitment to bridging the gap between old and new — in attitude, form and application. It infuses freshness into heritage and grounds innovation with enduring craftsmanship.

**More than half a century ago, the Brightliner subway car was a symbol; a glimmer of optimism and forward-thinking design in an ordinary world.**

# ALVA

01 /

**01 / The Alva Sofa** is all of our favorite things about a couch in one piece. It is both chic and satisfying with a high level of detail that will stand out in any room.

**02 / The Alva Club Chair** is the apple of our eye. Its striking form and unique details make it a stunner.

The linear tufted back is finished with cast hexagonal metal tufting buttons, a signature of this special piece.

**03 / The Alva Ottoman** is the perfect companion to our Alva Club Chair.

The cushion nestles between two shapely legs. It is a showcase for the craftsmanship and detail we love.

A close-up photograph of a table's leg and base. The leg is made of dark-stained wood and is attached to a polished metal base. The base consists of several flat, rectangular metal plates that form a tripod-like structure. The table is resting on a light-colored, textured floor, possibly concrete or stone. The background is a plain, light-colored wall.
