**A STORY ABOUT COLLECTING MEMORIES AND  
SENSES OVER THE DESIGN PROCESS.**

## **COLLECTOR**

The Collector brand aims to be part of the daily life by fusing furniture to our home routine and lifestyle, that's why we've designed our pieces with the intention to embrace diverse styles and to blend in inside any contemporary setting.

Described by our motto: "built to fit a good idea.", this wide range of product typologies were designed to work in diverse layers of importance. It can work as a center piece of the house, with strong personality or just complementing the background by gently blending in. The result is a clean-lined furnishing collection that can easily be customized to work specifically and according to each unique need, reflecting essentially our traditional methods of furniture manufacturing with accurate industrial production methods.

We strive to achieve the best quality possible by selecting the best materials and by the constant development of our production processes and manufacturing partnerships.
