

## CHARLES 1 | WALL

Charles is a modern vanity light designed by DelightFULL and inspired by the mid-century lighting classics. A simple lighting design, Charles is handmade in brass and aluminum by some of the finest artisans in Portugal.

The mount is made of brass, with a nickel plated finish, while the shades have minimal perforation details and also feature a nickel plated and a matte white finish.

It is a mid-century wall sconce that creates a stunning visual effect, having the possibility of being used with one or two diffusers.

The perfect wall lamp shade for a Scandinavian style bedroom, or a contemporary bathroom.
