

COLTRANE | TABLE

The Mid-Century Modern Coltrane Table Lamp is a modern lighting fixture, which embodies the contemporary principles of minimalism. With this in mind, DelightFULL's designers came up with a minimal black table lamp with three tubes that cast the most soothing glaze. This modern desk lamp is handmade in brass and steel, with a gold-plated base that is topped up with a matte black finish on the three shades. It serves as a great bedside table lamp, as well as a unique entryway table light.
