

## DIANA XL | FLOOR

Diana XL is a bigger version of Diana floor lamp. This Mid-Century Industrial Floor Lamp is the tallest Lamp of DelightFULL's collection, with a single giant lampshade, this floor piece is ideal for an open room, an industrial loft or an artistic studio. Diana is an industrial floor lamp with a mid-century modern design, perfect for big industrial lofts and artistic studios. Built out of steel with a nickel plated finish, this floor light has a giant lamp shade that features a glossy red lacquer on the outside and a matte white interior finishing. However, the colorful aluminum lamp shade can be customized with any RAL color and will point light in every direction you need it, since it has a flexible lamp shade. This floor light is perfect for lighting while reading or working or even for ambient lighting. Going as high as 90.5 inches with a switch on the top, Diana XL floor lamp will turn any room into a giant colorful inviting space. Could it be more unique than this?
