

ETTA PENDANT | SUSPENSION

Etta pendant light boasts a nostalgic and feminine retro glow, courtesy of the jazz singer Etta Jones, which was the inspiration for this curvy lighting fixture. Etta is a luxurious pendant light with 20 different brass leaves, which are all shaped and assembled by hand by DelightFULL's skilled artisans. Etta's standard copper plated finish helps to provide a soft and warm light, that is cast through its layers, giving a romantic ambiance to any setting. Nevertheless, keep in mind that this mid-century suspended light can be customized according to your needs and requests. It is the ideal copper pendant lamp for a sophisticated kitchen design, but it can also be used as a suspended bedside lamp.
