

MEOLA | TABLE

With a discrete size, Meola table lamp is a design by DelightFULL that successfully showcases the merge between Mid-century Table Lamps design and the contemporary influences of today's world. It boasts a stunning brass body with a nickel plated finish, and an aluminum-built shade lacquered a glossy black on the outside and a matte white on the inside, so as to not reflect the light in an uncomfortable way. This small table lamp has the minimalist vibe we all look for these days. It works beautifully as a bedroom table lamp, especially when used as a reading light for bed. An easy way to bring style into your master bedroom.
