

# PIAZZOLLA WALL

Black & Copper    Black & Gold    White & Nickel    White & Copper    White and Gold

## PIAZZOLLA | WALL

Piazzolla wall fixture is a pure 60's stlino style that brings a retro touch to contemporary spaces. Featuring two aluminum cones, this wall light fixture offers light both from top and bottom lamp shades to provide a subtle glow. With a dynamic and versatile look that can be applied to any setting, Piazzolla wall lamp can be mounted horizontally or vertically. Its structure is made in brass with a nickel plated finish, while one of the lamp shades has a brushed nickel finish and the other has a matte black finish. The interior finishing of the shades is matte white. However, custom made versions can be done upon request, allowing you to customize the two lamp shades as you like. With double cone swiveling pinhole lights, Piazzolla wall light is the perfect lamp for your mid-century modern office and retro living room.
