

SIMONE | WALL

Simone wall lamp has a sleek and clean design that is inspired by Nina Simone, one of the most versatile jazz artists of the 20th century. With a glossy white shade and a textile red wire, the vintage wall light fits in with a wide array of color schemes and styles. The three fully flexible arms are made of aluminum and the structure in brass, boasting three cone lampshades with gold plated accents. This mid-century modern sconce is easily adjustable when in need of a reading light, especially as a bedside lamp, or if you are simply looking to light up your hallway.
