Hector 140 Extra Leaves in light oak (E140-201-111) mounted on a Hector 140 in light concrete (H140-101-111)

View Online

## △ Compatibility Notice for Hector 140 Extra Leaves

Hector 140 Extra Leaves should only be used on Hector 140 tables featuring steel table legs. While possible with wooden legs, we strongly advise against it, as it may compromise the overall stability and performance of the table.

### Product Dimension
