JEWELRY FOR HOME

Este producto está inspirado en una mujer sensible y actual, hemos cuidado la suavidad de las formas y materiales sin olvidar la funcionalidad.

Es un homenaje a las mujeres femeninas y coquetas. Nos evoca recuerdos de la infancia, mientras observávamos admirados a nuestras madres maquillándose.

This product is inspired by a sensible, modern woman; without forgetting functionality, we have given care to softness in shapes and materials.

It's a tribute to feminine and flirty women. It evokes memories of our childhood, while we were admired looking our mothers putting on their make-up.
