

FLORENCE DINING TABLE

Following on from the Florence Shelf, the Florence Table demonstrates the same visual lightness and beautiful simplicity. A lightness that allows the table to un-obstruct life's objects, whether in-use or on display. Its sleek frame and transparent table top allows you to focus on the contents of living.

About the Designer Knut Bendik Humlevik & Josefine Hedemann

After years of experience as a product designer, Knut Bendik Humlevik became New Works creative director in 2014. Leading the story of New Works in collaboration with a number of internationally renowned designers, Knut also contributes his own pieces to the collection. His Scandinavian heritage is combined with an internationally inspired passion for honest materials, in a quest to create artistic and highly functional objects.

Inspired by interesting silhouettes and shapes, Josefine Hedemann experiments with unpolished, beautiful materials and colours to create products. Working alongside styling and installation projects, Josefine uses these same principles to create works with strong narratives, poetic and elegant stories that invite the user into her universe.
