LAPIAZ

CONSOLE

Resembling a freshly cracked stone, the Lapiaz Console celebrates the world's treasures, which are revealed to a select few. Drawing inspiration from Boca do Lobo's emblematic Lapiaz line, this modern console suits a variety of environments thanks to its graceful form. Finding balance in terms of shape, and materials, the Lapiaz Console breathes sophistication and delicacy, maintaining a light presence. The Lapiaz's interior is finished in polished brass which is manually fitted, a unique element that can be complimented with polished stainless steel, or with Boca do Lobo's selection of wood veneers, ensuring a match with its context.

Product features: The Lapiaz Console features a mahogany structure, with its inside finished in polished brass, and an exterior finished in polished stainless steel. It's organic features are achieved through the manual fitting of the polished brass sheet.

Arts and Techniques: Metal works.

Materials and Finishes: Polished brass and polished stainless steel.

Product Options: Also available in walnut root or ebony veneer.

Customization: Custom sizes and colors are available with an upcharge.

Observations for mounting: Contains pads on table base.

Clean and Care: Dry cloth for cleaning.
