Interested in a custom Loci Installation for your space? Working with us is easy. Just contact our Seattle studio to be put in touch with our designers. We will develop a site-specific fixture to meet your budget, and the requirements of your space.

For the most accurate quote, please provide the following information.

- Desired dimensions (approximate) of the installation.
- Preferred canopy type, and/or material.
- Preferred number of diffusers, or a rough estimate of budget.
- Any additional special needs or requests.
- It is helpful for us to have PDF or CAD drawings of the space, and a loose design concept or inspiration point to begin.
