

JAIME HAYON

LOW LOUNGER

bd

Jaime Hayon's Low Lounger has a lowered backrest and compact form. It is a seat to sink into.

Jaime Hayon's Low Lounger was developed in 2009. The armchair wraps plush upholstery around a compact plywood shell. It embraces its environment on its four legs or swivels around its base. The structure is made of enduring materials that express Hayon's attention to long-lasting, exceptional comfort within beautiful design.
