

Accent Café Table

FSC® certified oak wood

The Mater Accent Café Table is designed by the Danish architect duo Space Copenhagen and combines a sculptural and handcrafted aesthetic. Following along the same bloodline as the highly successful 2009 Mater High Stool, the Accent collection consists of three coffee tables, a larger oval lounge table, a three-legged café table and two sizes round dining tables. Durable for both private and public use.

Mater Sustainability Factsheet

FSC® Certified wood

From the very beginning, we have used FSC-certified wood for all wooden products in our collection. In an FSC® certified forest, no more trees than the forest can reproduce are felled, so the exploitation of nature is avoided.

Repair for long lasting

Good products, are made to be used. To give the products the longest possible life, we want to make it easy for you to repair them yourself.

Flat-packed

All tables in our collection are flat-packed, ensuring a more sustainable journey from manufacturer to end customer. Follow the inlay for easy assembly of the table in your home.

Mater Take-Back

We unhesitatingly offer to take all our furniture made from Matek back at the end of its life to recycle it into new furniture.

CO₂ Footprint

At Mater, we believe in the importance of transparency. By doing Life Cycle Assessments (LCA) on our furniture, we can analyse the total climate emission for each of our product's lifespan.
