FSC® certified wood and sustainably harvested paper cord

‘Nestor’ means ‘the noblest and - implicitly the wisest’ and exemplifies how genuine materials and detail to comfort create great design.

The Nestor Armchair is designed with careful attention to detail making it an exceptionally comfortable and long-lasting piece of furniture. The wide armrest matches the backrest and creates a large surface to rest the arm, which increases comfort. Durable for both private and public use.

## FSC® Certified wood

From the outset, our ambition has been to use FSC-certified wood in our production. This is now implemented with small exceptions. In an FSC® certified forest, no more trees than the forest can reproduce are felled, so the exploitation of nature is avoided.
