

Ocean Lounge Table

Made from discarded fishing nets & recycled plastic waste

The Ocean Lounge Table is the newest addition to the award-winning Ocean collection, a reimagined outdoor collection, originally designed in 1955 by some of the 20th century's most renowned designers, Joergen and Nanna Ditzel. The design was reissued in ocean plastic waste as a key raw material by Mater, combining innovative solutions to prevent pollution of the world's oceans.
