

METAMORPHOSIS CONSOLE

The Metamorphosis console table has come to symbolize the evolutionary history of life, representing the last stage of the cycle through the usage of sculpted fossils on display at the top of the table. This Console embodies handmade techniques such as hammering and polishing, executed by some of the best craftsmen in the country. Strong geometric design is coupled by two brass plated feet with casted brass details. A unique product for those who have a peculiar taste for limited edition pieces and conceptual designs.

PRODUCT FEATURES

The Metamorphosis Console is composed by a top and base finished in polished inox and brass beautified by the presence of golden creatures. Two brass plated feet with casted brass details.
