METAMORPHOSIS

SCONCES

The enormous success of the Metamorphosis Series gave birth yet to another unique creation – Metamorphosis Sconces. Similar to the dramatic transformation and the sudden change in the animal's body structure, Metamorphosis Sconces experiences new unexpected design techniques, noble finishes through a meticulous artistic process. The two main finishes marble and brass blend in pleasant and graceful conversation between the roughness of brass and the elegance of marble. Metamorphosis Sconces like a luxury jewel are the most sophisticated lightning accessories for your home.
