## NEWTON

SIDE TABLE

Mixing the old with new, Newton side table is an insightful combination of grandeur and playfulness. This piece is so versatile that can be easily converted into a stool. Its structure is made from aluminum, lacquered in black, with a high gloss varnish. This side table's design is expressive and forward thinking with its gold plated spheres and semi spheres. Conceived to create a particular atmosphere, this futuristic side table has an unmistakable presence beyond its mere functional characteristics. Newton side table adds a classic yet modern appeal to any setting specially if you place it between two contemporary armchairs.
