CARE Wipe gently with dry soft cloth. Liquid spillage must be wiped without delay. A premium liquid wax may be used occasionally to refresh the high gloss.

Each piece in the Oasis collection exalts the handmade, the painstakingly crafted, the authentic. A piece may have slight variations and tiny imperfections but these are the marks of an artisan, a testament to the individuality of each work of art. It is our belief that these variations infuse our objets d'art with desire and we assert our right to make necessary qualitative changes.
