

PIXEL SIDEBOARD

Iconic and unparalleled, the Pixel Sideboard presents a groundbreaking work of pioneering design. This piece carries the dedication and art of those who built it, a variety of traditional production techniques to craft an avant-garde furniture piece that is authentic, joyful and a perfect match for the digital age. Its playful character is captured in shape and color palette, challenging design and finest craftsmanship. This entire sideboard plays with perception and combines exceptional materials with multicolored compositions to give the sideboard a unique, striking design: handmade leaf gilding triangles, 10 different types of wood leaves from palisander to African walnut veneer, and lacquering.
