

SCARLET
SPLENDOUR

PLEASURE

In the 16th century, English seamen voyaging to Canada stumbled upon gold—or so they thought. It filled the men’s hearts with intense momentary delight. Scarlet Splendour presents its new collection of tables—inspired by that same rush of excitement. Its rich texture and colour combine traditional techniques in pure brass with contemporary amorphous sculpting.

Pleasure is a delightful wall hung console. Its unexpected form and opulence can brighten up any space

Each piece in the Fools’ Gold collection exalts the handmade, the painstakingly crafted, the authentic.
