

**FREYJA** Baby Bassinet

## FREYJA

### Baby Bassinet

Freyja, Old Norse for Lady, is the most important of the Norse goddesses, who among several powers was in charge of a very special one, fertility.

Freyja Baby Bassinet has a very smooth swing and is composed by a light carrycot that can be lifted from the swing structure and easily transported by hand. The carrycot structure is semi-soft which makes it very flexible to handle and the inside is coated with soft foam to make it comfortable and secure.

This bassinet is made of sustainable birch plywood using CNC cut with innovating waste efficiency technology. We are using the highest quality woods with natural non-toxic glues and premium eco-friendly fabrics. This piece is assembled and finished by professional craftsmen.

The bassinet's body is upholstered with one color and the interior of the handles with another.

The interior of the bassinet has a removable light mattress, upholstered with a very soft organic cotton that is also removable and washable.
