## LYRE Chair

Eight wooden profiles define this chair, like the strings of an ancient viking guitar called Lyre. The Lyre is historically connected to Kings and Viking warriors from northern areas and boreal climates. This exclusive design with clean straight lines and functional form are inspired in the new nordic design.

This chair is made of sustainable birch plywood using CNC cut with innovating waste efficiency technology. We are using the highest quality woods with natural non-toxic glues and premium eco-friendly fabrics. This piece is assembled and finished by professional craftsmen.

It comes with 2 pillows with two different tones of fabric.
