

ORKA Desk

ORKA Desk

Orka Desk is a beautifully designed piece, inspired in the Nordic design with a pinch of boldness. Orka can be described as a mental energy that drives you to work, or read or write. This Swedish word – Orka - defines the functionality of this table.

Interconnected profiles in contrasting wood colors, distinguish the two sides of this desk. Orka Desk has a simple and clear structure where the dark profiles define a small storage area.

This desk is made of sustainable birch plywood using CNC cut with innovating waste efficiency technology. We are using the highest quality woods with natural non-toxic glues and paint. This piece is assembled and finished by professional craftsmen.

You can choose between two different color sets.
