 CASAMANIA

We furnish living spaces by creating emotions

Horm proposes a “contemporary design” style where global influences coexist, reinterpreted by Made in Italy culture, passion and craftsmanship. The collection is dedicated to knowledgeable, sophisticated, and discerning users who want to endow their environments with an exclusive and refined character, combining aesthetics, functionality and high-quality materials.

A solid corporate vision defines the brand’s creative ethos: furnishing living spaces by creating emotions. Horm is distinguished by its ability to combine elegant lines and elements of wonder that transform environments – they become an expression of whoever lives in them.

With our master cabinet-makers who shape wood in the most diverse and exciting ways and upholsterers who shroud our sofas with exquisite coverings of sartorial taste, the skills of our master craftsmen at the service of internationally renowned architects and designers underpin an ideal partnership in creativity that materializes wondrous ideas.

Ideas that for over 30 years have been lauded by critics with a rich collection of international awards and by the market served with a distribution network of over 700 dealers in 82 countries worldwide.

Horm’s two sister brands, Orizzonti Italia and Casamania, round out the group’s offerings with a wide range of mattresses and seating for commercial environments.

Arrediamo gli spazi del vivere creando emozioni

Horm propone uno stile “contemporary design” dove convivono influenze global, reinterpretate dalla cultura, dalla passione e dall’artigianalità del Made in Italy. La collezione è dedicata a un pubblico adulto, colto e consapevole, che vuole conferire ai suoi ambienti un carattere esclusivo e raffinato, coniugando estetica, funzionalità e pregio dei materiali.

La filosofia creativa del brand si definisce nella vision aziendale: arredare gli spazi del vivere creando emozioni. Horm si contraddistingue per la capacità di far convivere linee eleganti ed elementi di stupore che trasformano gli ambienti per farli diventare espressione di chi li vive.

Maestri ebanisti che plasmano il legno nei modi più diversi ed esaltanti e tappezzieri che realizzano abiti sartoriali intorno ai nostri divani, mettono le proprie competenze al servizio di architetti e designer di fama internazionale, rivelandosi partner ideali in grado di dare forma alle idee dei creativi.

Idee che da oltre 30 anni sono premiate dalla critica con un ricco palmares di premi internazionali e dal mercato con una rete distributiva di oltre 700 rivenditori in 82 paesi del mondo.

I due marchi gemelli di Horm, Orizzonti Italia e Casamania, completano l’offerta del gruppo con una vasta gamma di materassi e sedute per ambienti commerciali.
