SPLENDOUR

RAINDROPS PISTACHIO

Named after the gentle patterns that the rain creates on the windscreen of a car or the cheek of a young girl caught in the spring rains. Matteo Cibic takes the romance from these gentle dots and transforms them through his design alchemy into chic contemporary rugs—*Raindrops*.

Each piece in the Raindrops collection exalts the handmade, the painstakingly crafted, the authentic. A piece may have slight variations and tiny imperfections but these are the marks of an artisan, a testament to the individuality of each work of art. It is our belief that these variations infuse our objets d'art with desire and we assert our right to make necessary qualitative changes.
