

SIMONE FLOOR

SIMONE | FLOOR

Inspired by the one and only Nina Simone, DelightFULL designers have taken a classic lighting design and reinterpreted it into a fresh mid-century floor lamp. Much like Mz.Simone, this unique lamp is a strong statement piece, that cannot go unnoticed wherever it's placed. Simone is a three-light articulating floor lamp with glossy white shades and a structure handmade in brass. With textile red wires above the large lamp shades, this retro light will create the perfect atmosphere for your mid-century modern home. All in all, Simone standing lamp aims to pass on Simone's powerful personality, as well as her bold and warrior features.
