## SPHERE VASE BUBL BIG

The Sphere collection has become synonymous with the visual language and the signature series of 101 Copenhagen.

The series is a family of unique silhouettes and textures gathering in a decorative and sculptural manner. Elegantly sculpted, each vase is finished with an intricate ornate detailing.

Inspired by ancient Chinese vases, a palette of faded earth tones is characteristic of the Sphere collection which was developed in close collaboration with highly skilled ceramists, ensuring the precise contrast between the smooth shapes and sharp edges.

As it is a hand glazed natural product, the colours may vary slightly and while it is not 100% waterproof, a bag for fresh flowers is included.
