## SYMPHONY

SIDEBOARD

The Symphony Sideboard draws inspiration from church organ tubes, as well as the curves of violin. Like all of Boca do Lobo's designs, the Symphony is hand made by experienced craftsmen, each with different specialities, from metal-work to wood carving. It features a cluster of polished brass tubes envelope an exotic wood structure, creating a harmonious artful juxtaposition to rhythm of the pipes. Through Boca do Lobo's vision, the Symphony seeks to re-interpret classic elements through contemporary design and cutting-edge technology, and has become an emblematic piece within the Limited Edition Collection.
