**TOILETPAPER**

An exceptional collection of upholstery born from the collaboration between **Maurizio Cattelan** and **Pierpaolo Ferrari**, creators of the extraordinary magazine **TOILETPAPER**, where the surreal images of the magazine blend together with the world's most eccentric design brand **SELETTI**.

With its black humour in pastel colours and the inexhaustible instinct for experimentation, the collaboration between Seletti and Toiletpaper gives birth to a series of cult products, a must-have for those who dare.

## ARMCHAIRS & SOFAS

---

*From the 50's with a whimsical twist.*

The traditional design of these 50's style seats is overturned with an unexpected lining with surreal pictures. TOILETPAPER's images invade the home decor and become comfortable objects to relax on - suitable not only to art lovers' homes.
