TOE FLAT CHAIR

A tribute to 70s futuristic design and space age, Toe is a lounge chair with expressive aesthetics and high seating comfort. Characterized by a sculptural approach to furniture design, the Toe Chair has a thick fluted upholstery running from seat to back, creating a linear and voluminous shape. The open chair form gives a free and easy seating experience, while the special combination of different kinds of foam ensures an overall high seating comfort.

Toe Chair is available in four different upholstery variations. Linen Chalk with a natural and textured look, Off-White Bouclé adding a chic and tactile feeling, Off-white Sheepskin for a soft and warmth feeling and Sunproof Taupe for stains, sunlight and water resistant use.
