

TRAMPOLÍN

Chair

Cuatro Cuatros

Trampolín is a chair which structure dares to surprise everyone's perception. A great variety of metal and fabric finishings make it suitable for every space, and the fact that it is stackable and that both seat and back covers are removable are what takes Trampolín even closer to perfection.

A very chameleonic chair,
its structure seems to be suspended

TRAMPOLÍN

Bar Stool

Cuatro Cuatros

The Trampolin chair has grown up into a high end bar stool which structure dares to surprise everyones perception, a very functional, comfortable and schematic product, with a high contrast between horizontal and vertical perspectives that results in amazing diagonal lines that make it looks like it is actually suspended somehow.

Missana increases the Trampolin family with a bar stool suitable for the trendiest contract & hospitality projects

An extremely comfortable product thanks to the padded upholstery with a unique and exclusive design
