TRIBAL VASE BIG

The Tribal collection is a series of vases designed as a sculptural take on the archetypal idea of a tribal mask.

Place single flower stems in the narrow top opening or simply leave the vase as a stand-alone art object. Like open mouths on pedestals, the masks are a beautiful, shaped item in calm, soothing and dusty terracotta and grey colours.

As it is a hand glazed natural product, the colours may vary slightly and while it is not 100% water-proof, a bag for fresh flowers is included.
