

by Eva Harlou

Winston Bench is the little sister of the Winston Daybed launched in 2018. Combining classic elegance with a sustainable choice of material and exquisite craftsmanship.

The sustainably sourced oak from well-managed forests and its use of fast reproducing cane straws as the weaving, supports UN Global Goals of protecting “*Life on Land*” (SDGs 15) and “*Responsible Consumption and Production*” (SDGs 12) and supporting “*Partnership for the Goals*” (SDGs 17). The canework is applied to the wooden oak frame in a proud 3rd generation Danish wicker workshop, thereby translating an old craft tradition into the new modern design age.

All waste wood from this design is converted into wood pellets, used to make the factory self-sufficient in supply of heating.

Item no.
06003 Winston Bench

Material
Oak Wood, FSC certified

Finish
Natural Matt lacquer

Origin
Europe

Dimensions
L 120 cm W 40 cm H 45 cm
