## Gino

Sergio Mendes 2019

Gino reveal the blend between its subtle curved contours with a primitive and elegant solid wood structure.

This complex upholstered piece requires an attention to detail as the rounded curves embracing the wood frame define its identity.

The piece has a simple and minimal shape and its smooth curves provide a greater balance to its shape. The frame intersects the upholstery creating a fusion of two materials making the piece compact, functional and comfortable.

Gino revela la mezcla entre sus sutiles contornos curvados con una estructura de madera maciza primitiva y elegante.

Esta pieza tapizada compleja requiere la atención al detalle de como las curvas redondeadas abrazan la madera, detalle que define su identidad.

Se trata de una pieza de formas simples y mínimas cuyas curvas suaves proporcionan un mayor equilibrio a su forma. El marco se cruza con la tapicería creando una fusión entre dos materiales que hace que la pieza sea compacta, funcional y cómoda.
