

GALLIANO ROUND | SUSPENSION

Galliano round chandelier is a mid-century modern light with a shape that was inspired by a pipe organ. With sculptural shapes and an extremely balanced design, this modern lighting design gets even more beautiful when you see the light being casted through its pipes. It's possible to customize this suspension lighting in any shape or dimension: round, oval, square or rectangular. Handmade in steel, the features include a nickel plated finish applied by some of the finest artisans in Portugal. The interior of the lamp shades are in white matte, enhancing the lighting design with a perfect mix of form and function. Ideal to use as a modern dining room lighting fixture or as an entrance lighting, Galliano has a mid-century modern appeal that won't go unnoticed.
