

WINSTON DAYBED

Named after Winston Churchill, the Winston Daybed is a beautiful piece of furniture that works as an extra seating in living rooms, open halls, in an office area or simply an elegant place to take a nap. With its simple and elegant construction in wood and wicker, Winston is a new take on a classic daybed. It is a new interpretation of the classic canework craft whose characteristics is a sustainable choice of material, as the grass reproduces itself very fast after harvesting.

The frame is crafted in FSC certified oak and the detailing of the leg fixture underlines the exquisite craftsmanship. The canework is applied to the wooden oak frame in a proud 3rd generation Danish wicker workshop, thereby translating an old craft tradition into the new modern design age.
