

LONGEVITY BUNDLE

Our Longevity Bundle ensures you restore and maintain levels of crucial molecules such as NAD+, Ubiquinol (CoQ10), CaAKG, and Collagen in your body to optimise your health span. The three highly effective supplements work synergistically to boost your energy, improve sleep quality, rejuvenate your skin and reverse your biological age.

BENEFITS YOU CAN EXPECT

Various studies have shown skin benefits of up-regulating collagen production. It reduces inflammation which contributes to joint health by slowing cartilage wear down. Furthermore, supplementing with 4mg astaxanthin daily for 6 weeks resulted in improvements of skin elasticity, wrinkles, and fine lines.

KEY INGREDIENTS KEY INGREDIENTS KEY INGREDIENTS KEY INGREDIENTS KEY INGREDIENTS KEY INGREDIENTS

RESVERATROL (150MG)

A polyphenol produced by plants as a defence mechanism against environmental stress. It is a very well researched compound with numerous health benefits to humans.

UBIQUINOL COQ10 (100MG)

Active and more bioavailable form of CoQ10, a powerful antioxidant naturally present in the body.

PTEROSTILBENE (50MG)

An antioxidant found naturally in some plants, fruits, and nuts that has been studied for its numerous health benefits.

APIGENIN (50MG)

A natural flavonoid compound that protects plants against environmental stress and has shown promising benefits for humans.

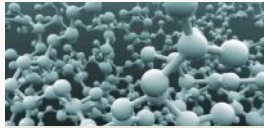

BETAINE (50MG)

A derivative of the amino acid glycine, which is made naturally by our bodies. Betaine has vitamin-like effects and properties.

NMN β -NICOTINAMIDE MONONUCLEOTIDE (250MG)

A natural vitamin B3 derivative and NAD+ precursor, counteracts age-related NAD+ decline, supporting vibrant health and sustained energy.

COLGEVITY™ (8.4G)

Colgevity™, our patented collagen precursor, boosts collagen synthesis and extends lifespan in model organisms using 3 key amino acids: glycine, proline, and hydroxyproline.

CALCIUM AKG (1G)

A molecule that decreases with age. Enhances collagen, skin, and mitochondrial health, reduces inflammation, and reverses biological age. Optimal bioavailability with Calcium form.

ASTAXANTHIN (4MG)

A carotenoid and potent antioxidant from algae, fights inflammation, shields skin from UV damage, and boosts collagen for smoother skin with fewer wrinkles.

ACEROLA CHERRY EXTRACT (150MG)

Contains highly bioavailable vitamin C, bolstering the immune system, supporting heart health, and actively promoting collagen synthesis for a strong body-wide collagen network.

HOW TO USE

NMN & Booster

We recommend taking one capsule daily (of each), with or without food.

Collagen Activator

We recommend taking one sachet per day (11,5g), diluted in a glass of water.

WHEN TO USE

NMN & Booster

Ideally in the morning or early afternoon. Make sure to take the supplements around the same time everyday

Collagen Activator

Preferably after a meal

LONGEVITY BUNDLE TAGLINE

Elevate your daily routine with NMN, Booster & Collagen Activator for ageless vitality.
