*These adhesives have been tested by the adhesive manufacturers as suitable for use with Armstrong Flooring products and job requirements, however Armstrong Flooring does not guarantee the performance of the products listed and the list and adhesive descriptions are not guaranteed to be either current or complete. Armstrong Flooring accepts no liability for any of these products failing to perform in conjunction with Armstrong Flooring products.

PLEASE NOTE:

- Adhesives must be used in accordance with the adhesive manufacturer's instructions.
- High Risk areas are those exposed to broad changes in temperature, high humidity, direct heat/sunlight.
- For installation with acoustic underlay or similar types of specialist installation methods contact the underlay and or adhesive supplier directly.
- Failure to use the correct and recommended adhesive may void the product warranty, and proof of adhesive used should be retained as proof of correct adhesive.
