48" Walk-in Bathing Tub

Faucet holes and drain are available on the left, right or center. The drain hole is 3 1/2" in diameter and is centered from front to back in the tub, which puts the center of the hole at 12" from the front and 12" from the back and 7 1/2" from the side of the tub. The three faucet holes are 4" on center. The holes are 1" in diameter and are up 29" from the bottom of the tub basin or approximately 38" from the floor.
