

Scoresheet

to be completed after Round 12

1 Write down the value of each of your assets in the corresponding boxes. Use the chart below to convert your total money to points.

2 Write down the number of Tokens you have collected in the boxes. Share the number of Tokens in each category with the other players to determine your ranking. Convert rankings to points.

ranking

1st place	3 points
2nd place	2 points
3rd place	1 point
