

Simple Black case for Samsung S10 5G

The Simple Black case provides maximum protection. It is made of durable TPU, which perfectly adheres to the phone. The reinforcements on the corners have an anti-shake function that provides even greater protection for your phone. Slightly protruding edges also protect the screen. The case has appropriately matched cut-outs for all ports in the device.

EAN Code EAN Code: 5900495762962

Catalog index: GSM044275
